Our social centre in West Linton had an action-packed day today, beginning with a delightful breakfast of tea, toast, and crumpets. The morning was filled with laughter as we shared memories and chatted about our week.

Fun was in full swing during our seated exercises, which included a spirited seated Can-Can! The excitement continued with a game of "Aye or Naw," bringing much amusement and a few new facts to our gathering.

As lunchtime approached, our participants enjoyed a delicious two-course meal, accompanied by lively conversation and a comforting cuppa.

The day was topped off with a game of sticky darts and a round of dominoes, ensuring everyone left with a smile. The West Linton Social Centre is a fantastic place to stay connected and maintain independence.

We meet at West Linton Village Hall every Thursday from 10 AM to 2 PM, and we have places available for more participants.

Places are available to help older people remain independent and connected to their local community.

If you are interested in joining us for a taster session to experience the happiness and banter firsthand, please contact us at:
