IMPORTANT INFORMATION

Whilst we have not, as yet, been given permission to call a Minister, when we do we will have to produce a Parish Profile. The Parish Profile tells any potential applicant what we are looking for and what we have to offer.

So that each Church in our linkage has the opportunity to contribute to the development of the profile, **a meeting, open to all congregations in the linkage**, is being held on **30th August at 12.30pm** in the **New Church Hall in West Linton**. Please bring your own lunch.

The development of a Parish Profile is an important step in the process of attracting a new Minister, once we have been given permission to call. **If you are planning to attend the meeting** to help develop the Parish Profile, can you **please let your Session Clerk know**.

Once you do, you will be sent some of the documents that have been submitted to Presbytery. These summarise all the Church activities we currently undertake.

This is important, as it means we can take this information as 'read', and can concentrate on what is important at this meeting, namely what **we want from a Minister** and what we want to focus on about **what we have to offer**.

Sharing of News & Information
Anything you would like shared should be emailed to **intimations@standrews-westlinton.org** by **Thursday lunchtime** would be really helpful to allow time to collate and distribute it.

Come and Pray with us

We meet on the first and third Monday of each month at 10:00 a.m.
in the meeting room at Broughton Village Hall (next to the bridge
into the car park)

We have spent the past year in contemplative prayer using the
Revelation of Divine Love by Julian of Norwich and will be
continuing to do that in March and April

Coming soon

From May we will be studying and praying with the Gospel of Thomas.
This was discovered at Nag Hammadi in the last century and scholars
believe that it may have been written while Jesus was still alive. It is
written in the wisdom tradition of the Bible and contains sayings
attributed to Jesus – some of which are familiar to us, some not so.

When the books that are included in the Bible as we know it were finally
agreed in the third century the monks and nuns in Egypt and Syria were
ordered to destroy any other documents they had. Rather than destroy
these many were buried in the desert.

Why study this?

“Seeing Jesus through this new filter... dislodges us... from any lingering
smugness that we have Jesus’ teaching in our hip pocket... this new
portrait gives us the freedom to go deeper... I find nothing in the Gospel
of Thomas that contradicts any of Jesus’ teachings in the canonical
gospels. Rather, it rounds them out... and creates a newfound sense of
awe..”
